

Farzad Ahmadipour Hedesh

University Lecturer at Islamic Azad University, Science and Technology Pardis Branch

PhD : Electrical engineering – Power At Islamic Azad University, Damavand

Personal Information

Age: 35 Years
Gender: Male
Location Province: Tehran
Location City: Tehran
Marital Status: Single
Military Service Status: Exempted

Exprience & Salary

Work Experience: 13 Years
Salary Expectation: 45 – 60 Million Tomans

Work Experience

CEO & Board Chairman

April 2021 until now (5 years and 1 month)

Karavand Entrepreneurship Institute

Iran Tehran

Operations, Security, and Information Technology Center Specialist

May 2024 until November 2025 (1 year and 6 months)

Behpardakht Mellat

Iran Tehran

Worked in a mission-critical banking Data Center environment with high availability and strict security requirements.
Hands-on experience with IBM Mainframe systems (EC12, z10) and z/OS operating system.
Used Mocha TN3270 Client for mainframe access and operations.
Executed batch Jobs, monitored system status, and analyzed logs in the z/OS environment.
Performed continuous monitoring of Data Center hardware, including:
IBM Mainframe systems
Tape Libraries
Enterprise Storage Systems (Hitachi VSP 2/3/6 Cabinets, G1500, G5600)
Worked with IBM Hardware Management Console (HMC) for system and LPAR management.
Monitored infrastructure and system metrics using Elastic Stack (Kibana Dashboards).
Identified, logged, tracked, and reported alarms, incidents, and system faults according to operational procedures.
Performed IPL (Initial Program Load) on LPARs in the mainframe environment.
Collaborated closely with DBA teams and vendor technical support teams to troubleshoot issues and maintain service stability.
Operated in a rotational shift schedule (day, night, weekends, and holidays)

Electrical Engineer

July 2019 until October 2024 (5 years and 3 months)

Boomshahr

Iran Tehran

Electrical Engineer

May 2018 until June 2019 (1 year and 1 month)

Artman Smart Home

Iran Tehran

Electrical Engineer

January 2017 until April 2018 (1 year and 3 months)

Lawson Wood

Iran Tehran

Electrical Engineer

August 2013 until December 2016 (3 years and 4 months)

Alma Designers

Iran Tehran

Education

PhD: Electrical engineering – Power

2019 – Present

Islamic Azad University, Damavand

GPA : 19.04

Master: Electrical engineering – Power

2015 – 2016

Islamic Azad University, Damavand

GPA : 16.82

Bachelor: Electrical engineering – Power

2011 – 2014

Islamic Azad University, Damavand

GPA : 13

Associate: Electrical engineering – Power

2008 – 2011

Islamic Azad University, Aliabad Katoul

GPA : 13

Training Courses

Smart Electrical Systems

Islamic Azad University, Damavand

Course Duration: 1 month

2021

Technology & Electrical Business Market	Islamic Azad University, Damavand
Course Duration: 1 month	2021
International Webinar Innovation for Renewable Energy Future	Islamic Azad University, Damavand
Course Duration: 5 hours	2021
Python Programming Technology	Islamic Azad University, Damavand
Course Duration: 1 month	2021
Contract Writing Basics	Islamic Azad University, Damavand
Course Duration: 10 hours	2021 (No Certificate)
Payroll Accounting	Islamic Azad University, Damavand
Course Duration: 1 month	2021
Photoshop Basics	Islamic Azad University, Damavand
Course Duration: 10 hours	2021
Advanced Photoshop	Islamic Azad University, Damavand
Course Duration: 20 hours	2021
Advanced Photoshop	Islamic Azad University, Damavand
Course Duration: 20 hours	2021
Specialized Photoshop: Photomontage	Islamic Azad University, Damavand
Course Duration: 10 hours	2021
Basic Publication Editing 1 & 2	Islamic Azad University, Damavand
Course Duration: 20 hours	2021
Mushroom Cultivation Technology	Islamic Azad University, Damavand
Course Duration: 20 hours	2021
Success in Architecture Business Market	Islamic Azad University, Damavand
Course Duration: 3 hours	2021
Civil Engineering & Business Market	Islamic Azad University, Damavand
Course Duration: 5 hours	2021
Ph.D. Comprehensive Exam Certificate	Islamic Azad University, Damavand
Course Duration: 2 yers	2021
General & Industrial Electrical Safety	Quality Certification Bureau Italia s.r.l
Course Duration: 2 month	2020
Internship Completion Certificate	Tehran Department of Education (Technical & Vocational)
Course Duration: 3 month	2008

Honors & Awards

Ist National Rank – Growth Festival Islamic Azad University	2022
Thermoelectric Generator with Ammonia Cooler for Cathodic Protection	2016
Reviewer – Journal of Energy Storage	2025
Reviewer – 3rd Round of Free-Thinking Chairs, Islamic Azad University	2023
Organizer – Interview Event with Top National Entrepreneurs	2021
Cultural & Art Institute License – Ministry of Culture & Islamic Guidance	2024

Papers & Books

Cathodic Protection & Thermoelectric Generator with Ammonia Cooler	2021
Karavand Entrepreneurship Journal – Editor-in-Chief & Editorial Board Member	2021
Coordination of Multi-Energy Microgrids in Power-Gas Networks with High Penetration of Energy Storage Systems	2025

Volunteer activities

Member of Nafs Literary Club and Ambassador of the Iranian Organ Donation Association	2012

About Me

Farzad Ahmadipour Hedesh is a researcher and professional in the fields of multi-energy systems, energy storage, and power-gas network coordination, with a special focus on carbon emission reduction. His research interests include decentralized optimization, microgrid coordination, renewable energy integration, and data center infrastructure. He has experience in industrial projects, academic research, and peer review for prestigious journals in the energy domain.
